Residential on 0.48 Acres

FARMINGTON, Carlisle, PA

Welcome to this beautifully maintained Fine Line Homes "Alpine" model, offering the perfect balance of comfort, quality, and modern upgrades. The home is surrounded on the sides by trees for ultimate privacy in a family friendly neighborhood convenient to many shopping areas, restaurants, and medical facilities.

The first-floor primary suite provides a peaceful retreat with a spacious walk-in closet, a corner whirlpool tub, and a tiled bath floor. The open-concept living room features soaring cathedral ceilings, a cozy gas fireplace, and an elegant staircase leading to the loft—a flexible space ideal for a home office or reading nook.

The kitchen is a true highlight with cherry cabinetry, a new Karan farm sink and Delta touch faucet (2024), and a full suite of new matte black stainless-steel Samsung appliances, including a French door refrigerator/freezer, double oven with five-burner gas stove, microwave, and front-loading washer and dryer on pedestals.

Recent updates add even more value: three new Kohler chair-height toilets (2024), a whole-home water softening system (2024), an inline pressure booster for the whole house water system (2024), a new electrical subpanel in the basement (2024), new flush mount ceiling fans with light kits in the

bedrooms (2024), plush Godfrey Hirst carpeting throughout the home (2025), and a garage hose bib with both hot and cold water for convenient indoor use (2025). Best of all, a new roof with Owens Corning Duration TruDefinition shingles featuring SureNail technology was installed in August 2025—a major upgrade providing peace of mind for years to come.

Quality finishes are found throughout, including Andersen tilt windows, crown molding, chair rails, Tyvek house wrap, and Energy Star construction. The lower level, with 9-foot ceilings and walk-out steps, is ready to be finished into additional living space.

Outdoor living is just as impressive with an extensive elegant hardscape patio and walls, elegant dimmable lighting, plus a screened-in deck off the kitchen dining area overlooking the open rear lot that opens to a common space.

Out of respect for the sellers’ privacy, interior photos are not available online. We warmly invite you to schedule a private showing to experience the home’s layout, features, and many recent upgrades in person.
